

Sending you warm wishes!

As we look toward this holiday season we want to say thank you for your support over the past year. 2016 will mark four years that Jessica's House has provided grief support in our community. Without your continued and generous support, we would not be here.

Today our ongoing program serves 175 children, teens, and young adults who have experienced the death of a parent or sibling. In 2015 we also added school support for at-risk children in our community and have provided assistance to critical incidents in our community where children have been affected by the death of a classmate, teacher, or friend. Each day, we witness the HOPE families find when they learn they are not alone.

Your compassion, generosity, and commitment has a growing impact on the lives of grieving families. It's because of YOU that we are able to offer this support at no charge to families, like the Worsham family. When their dad, Tim, died last year from an unexpected illness, Jessica's House became an important part of their healing. Their five year old son, Brady, and college aged daughter, Tiffani, began attending support groups shortly after the death of their dad.

"Jessica's House helps me be around others who accept me and understand that the intensity of grief can increase as time goes on," says Janice. "I found a place where I felt somewhat normal in an abnormal situation".

Reducing isolation and providing opportunities for connection are two of the most impactful benefits that your contributions to Jessica's House are providing to grieving children every day.

Would you consider giving a year-end gift to help grieving children and families today? Your tax-deductible gift of any amount would be appreciated. A \$1,500 gift sponsors one child and one family member for one year of grief support services. Will you sponsor a family today? You can also structure your donations for monthly giving through our website.

As you can imagine, the holidays can be especially difficult for children who are grieving. Every gift to Jessica's House provides an immediate, positive impact on the lives of grieving children in our community.

With your support, families like the Worsham family will find comfort in their time of sadness. Your past generosity has made this accessible to all grieving families without ever charging a fee.

Jessica's House would not be here without you. ***A gift of any amount will help us sustain this valuable service for our community.***
